During the year, only **BAGGED** garbage may be deposited in the dumpsters under the shelter (provide your own bags). There is an "Honor Box" for you to deposit your payment of \$2.00 per bag of garbage. Last year the town's expenses exceeded our collections by over \$2,700.00. We appreciate your continued efforts in this area to help keep your taxes down.

The large **Co-Mingle** recycling bin is provided at no charge and includes: **Glass, aluminum, tin, and plastic**. There is a separate dumpster next to the recycle bin for cardboard and paper. Please help us keep these areas neat and accessible.

THE ONLY TIME LARGE ITEMS (UNBAGGED) ARE ACCEPTED
